Congratulations to Wilderness North for successfully landing the largest northern pike (53") registered amongst lodges in the Ontario Federation of Anglers and Hunters' Ontario Angler Awards program for 2007.

It is with great pleasure that we present your outfitter with the enclosed plaque which details these angling achievements. With more than 400 lodges taking part and over 5,400 entries received, this is no small feat. We hope that you will find a place to proudly display this prestigious award.

We wish you and your outfitter the best of success in the upcoming months, and we look forward to receiving your entries for 2008.

Yours in Conservation,

Jay Callaghan  
O.F.A.H. Ontario Angler Awards Coordinator
